

Circular - TATA Sky Payment

As per MEFGI Guest House policy, the eligible faculties are provided with accommodations in MEFGI Guest Houses/Hired places at the sole discretion of the Management.

As a part of its policy to equip the places with modern amenities, many places are provided with TVs and Dish connection, like electricity/gas connection etc.

However the actual consumption charges for such facilities are to be borne by the occupants as advised and practice in vogue. MEFGI has paid FIRST month's cable

connection charges as a goodwill gesture with installation of dish connection, however all future renewals are to be borne by the occupants.

We enclose a list of such occupants and details of TATA SKY connection with request to kindly ensure to pay the renewal directly to service provider.

This would also help individual to add some specific pack at extra cost as per their liking like Regional language channels/sports channel etc.etc.

Sub Location	ID No.	Recharge Date	Amt Done (Rs.)	Due Date
