

## **Engineering: Mid-Sem. Exam Reassessment**

From Current Semester students will be able to apply for Re-assessment from the same day of declaration of Result for Particular subject.

### **Result Declaration:**

Answer sheet assessment process will take minimum 10-15 days after the date of particular subject exam, so result will be displayed after 10-15 days. So students must check their login on regular basis for Result.

There will be display of Last Date for Re-assessment request. Student must apply within time limit provided after the declaration of the results i.e. **within 5 days from Result Declaration.**

### **Reassessment Rules:**

1. For reassessment students must apply online through student login within time limit provided after the declaration of the results. No request will entertain after time limit.
2. If difference is less than 15% of max. Marks of subject (i.e. total marks are 30 marks, then 5 marks of difference) then no second reassessment will be done and no change of marks will be declared. But if the difference is more than 15%, second reassessment will be done and the result will be one which is nearer to the original result.
3. Student shall abide by the revised result even if it is adverse.
4. Reassessment can be applied for all subjects per semester.
5. A student can apply for reassessment of his own answer books only.

### **Procedure:**

**For Reassessment Procedure use Student Login Website only. Don't use mobile app.**

Students have to apply through student Login:

Student Login → Exam Menu → Result → Check your Current Sem. Result → Click “No” button and make it “Yes” for particular subject you want to reassess.

Reassessment will be done only those students who have register within time limit.

**Re-assessment Result will be displayed within a week as per above Rule No.2.**
